

Gold River, CA - Congressman Dan Lungren (R-CA) was presented with the U.S. Chamber of Commerce's "Spirit of Enterprise Award" today (Tuesday, Aug. 25) for his consistent pro-business voting record during the second session of the 110th Congress.

The award was presented during a Rancho Cordova Chamber of Commerce breakfast by Dick Castner, who serves as the U.S. Chamber's executive director of the Western Regional Office.

To be eligible for the award, a senator or representative must have voted for at least 70 percent of pro-business related votes that the chamber tracks during a session. Lungren voted for 17 of 18, finishing with a 94 percentile record.

"This is an award given to a member of Congress who votes with business, for job creation and a strong economy," said Castner.
